Dear Fatekh,

I am not sure I understand the first part of your email.

Regarding the Grant Deed for your wife, please contact (or have your wife contact) Zack Felder of First American Title Company and he can make arrangements for her to sign as soon as possible. His phone number is 408-867-9915 and email is [zfelder@firstam.com](mailto:zfelder@firstam.com).

Thanks,

Miles

Making such notes people may want to say: "The best Agent in area made price evaluation mistake or he just fooled you pushing you in contract, using Lie as so called marketing tool" What is true?

My wife can visit Title to sign dead of 272k equity loan at any working day between noon and 2pm, or at any Saturday. Give me an preferable appointment time, please. Because she will fly to Moscow for month, starting June 14, 2012 we don't want to do this at last moment.

Dear Fatekh,

Unfortunately an offer did not materialize today. Apparently they thought the price was too high for the size of the house. I will let you know as soon as I hear of any new developments.

We will not know the price until they present. Does tomorrow at 11am work for you to meet at my office?

Miles,

Good for you having an offer...  
What the offer price?

Thanks

Dear Fatekh,

It looks as if we have one confirmed offer for Ruthven. I am trying to see if a second offer from someone else can be generated. Typically the Seller is there with me and the Buyer's Agent in my office. At this point, I need to schedule a time. Would you be available around 11am Thursday morning? In addition, your wife will either have to sign the documents with you or execute a Quit Claim Deed covering the property. I did speak with the title

company about this. Your wife signed a Quit Claim Deed back in 2007. However, as she signed the loan documents for your \$272,000 line of credit, she would have to either sign the sales documents or a new Quit Claim Deed.

Thanks,

Miles
